Summit Ski Club*

What a WEIRD start to a season! We have never had so many cancellations due to weather in December. One can only hope January is not so cold!

The new HOTLINE is up and running. The number is **944-2990**. It will be updated around 5:45 on Thursday nights and by 8:00 a.m. on Sunday mornings, so make sure you phone before you head to the hill. Thanks to Gord Masters for working on that for us.

Despite the weather, last week was a busy one.

Summit skiers trained at Sunshine Village with Coach Brian. Coach Dan was along to work on his own skills as he prepares for his Level 4 instructor's course. A big highlight of the week was the addition of Canadian Women's Team Coach Brent Zagosewski, who coached the group on Tuesday.

Good Luck to our Provincial Team athletes, Evan Kettler and Steven Horbas who are skiing in their first FIS race at Lutsen, Minnesota this next weekend.

At the fall AGM, an athlete and participant Code of Conduct was passed.

Unfortunately, the forms were not ready for our Open House. If you haven't already done so, we will be asking all athletes and parents to sign one before the children will be allowed to race.
