

Summit Ski Club
Week of January 12th

MASS skiers Anna, Alyssa, Megan and MacLean with Coaches Brian and Dan enjoyed training with Canadian Women's Team Coach (and former Summit Ski Club skier) Brent Zagazewski at the Sunshine Camp.

Friday

MASS Training starts at 9:00 at LaRiviere. Coaches Dan and Glen will be there to help everyone gear up for this weekend's race.

Saturday/Sunday

MASS races 1 & 2. Good luck to all our athletes For a successful start to the season.

Hopefully the forecast holds out and we'll have "seasonal temperature" to race in. (Remember last year? Hiking up the hill in -45 because it was too cold for the chair to run?)

Sunday

Regular Training at Springhill for E1, E2 and K1

Things To Take Note of:

Nancy Green Race (6 – 9 year olds) on January 25th will be at Springhill. We'll need a pile of parent volunteers for that day!

Summit Board Meeting was changed to Wednesday, January 21st, 7 p.m. at the Kettler residence.

HOTLINE number is **944-2990.**

It will be updated around 5:45 on Thursday nights and by 8:00 a.m. on Sunday mornings, so make sure you phone before you head to the hill.

Fitness Training is every Tuesday Night at Nordale School. ALL skiers 11 and up are encouraged to attend to keep up their fitness levels.

Summit Family Ski Social will be on February 7 from 6 – whenever at Springhill Winter Park. Tickets are available any time. Nadine Demarais will have them at Springhill on Sunday. MASS families can pick theirs up from Cathy at LaRiviere this weekend.

It is a wonderful family evening. If you have friends and family \$15/person includes a lift ticket, rentals and free lessons from our amazing coaches. We'd really like to have about 300 people there, so talk to your family and friends about coming out for the evening. If you have anything you could donate to the Silent Auction, please see any member of the executive.

Sometimes, you work SO HARD that you just go to sleep without even taking off your jacket or suit!

Evan Kettler and Steven Horbas are off this weekend skiing Slalom at Lutsen, Minnesota and GS at Thunder Bay. They are learning what it means to start with a bib number of 138 in a field of 140 and what kind of conditions a course is in after 137 skiers have gone before you. It's a LOT different from what they are used to.

Quote of the weekend:
"I'll never complain about icy conditions at Asessippi again! "
