

Good Morning Summit Families, now that December is here the ski season will kick off with the start of our clubs on hill activities.

Big welcome to the new families, we have at least 10 new members starting this season, which is fantastic! I am confident your experiences with the Summit Ski Club will be very enjoyable for the whole family.

Our first grocery card drive of the season has been very successful with about \$18,000 in orders, which is our largest yet! Great job, thanks to everyone. I will report back on our profit once things are finalized and once I receive confirmation of the card delivery date I will get a message out.

Finally if you have not already heard, a couple of the local ski clubs are sponsoring a Warren Miller film which is showing this upcoming week, see the message below for additional information. It's a fun way to start off the season and get inspired for some on hill action.
