

## Summit News – January 10, 2012

Happy New Year everyone!

Now that we are well into January and recovered from the busy holiday season, our club schedule will become more regular. Thus far we have had numerous on hill training opportunities locally as well as our mountain camp held at Sunshine. The camp was well attended with 18 athletes and their families. Big thanks to the coaches for their hard work and enthusiasm working with the athletes: Brian Hatherly, Dan Blankstein and Glenn Allen.

We have had some recent changes to our calendar, with some already entered into the club schedule on our web site. I will also highlight the changes to you in these updates.

Thursday Jan. 12 @ Springhill, we are holding a short parents meeting in order to meet with the new members and answer any questions. In addition, we will be holding a Level 1 Officials Course. I strongly encourage any existing members and new members to take in the course which will run concurrent with training between 7 and 9 pm. Parent volunteers acting as officials are vital to running a ski race. We would also like to invite any weekend only families to take in the meeting, official's course and those athletes are also welcome to train this Thursday. Please respond to me at [rob.grycko@tgk.ca](mailto:rob.grycko@tgk.ca) if you will be able to take the course, so that we can have sufficient course materials.

The MB Cup Race 1, dual SL scheduled for Springhill on Saturday January 14<sup>th</sup>, 2012 has been re-scheduled to Saturday January 21<sup>st</sup>. As a result Summit training for K1 and older athletes at Asessippi for the weekend of the 21<sup>st</sup> and 22<sup>nd</sup> has been cancelled. Stay tuned for further scheduling announcements regarding these changes.
