

Summit News – January 25, 2012

After a busy weekend of racing and training at Springhill last week, we have an even busier weekend upon us. Last Saturday MB Cup Race 1, a Dual SL race was held at Springhill. All of our K2 (13 years) and older athletes took part with some excellent results and many medals being earned. Congratulations to all of the athletes who earned medals and those who participated. On Sunday regular training at Springhill was held and the weather was excellent for January. Events this week include:
