

Summit Update – April 17, 2012

MB Cup Champs Tori Hislop & Steven Horbas, with coach's Brian & Glenn

Congratulations to Summit members Tori Hislop and Steven Horbas for their excellent ski season finishing at the top of the points race and winning the female and male MB Cup series. Sweeping the top four spots in the point's race and finishing behind Tori were Summit members Sam French, Sara Telles-Langdon and Anna Blankstein.

At finals weekend it was announced that the Summit Ski Club had won a fourth consecutive provincial championship! Congratulations to all athletes, their parents, volunteers and our excellent Summit coaches. It was also announced at finals weekend that coach Dan Blankstein was announced as coach of the year for the previous 2011 season. Congratulations Dan for all of your hard work and valuable instruction.

There are three items I would like to bring to your attention, prior to wrapping-up this season.
