

Summit Ski Club News & Update

Course inspection prior to Minnedosa Multi-run race January 26<sup>th</sup>, 2013

The rescheduled Minnedosa race took place last Saturday under blue skies and plenty of sunshine. Summit athletes, many in their first ever race with the club participated with an enthusiastic effort and having tons of fun at the same time. Congratulations to Allie Moffat who finished 3<sup>rd</sup> in her first race with Summit and Jack Healey who also won a bronze medal.

We have a busy weekend of events approaching:

**Thursday January 31<sup>st</sup>**, U12 and under training at Springhill 7:00 – 9:00.

**Friday February 1<sup>st</sup> to Sunday February 3<sup>rd</sup>**, U12 + training and MB Cup races at Asessippi. Warm-up times for all Summit athletes will take place at 8:50 am, by the ski racks each day.

Friday, training will be supported with Summit coaching and will include participation for some in the MASD camp for U12 athletes preparing for Sunday's race. We have submitted a list of the U12 athletes attending and some coaching fees payable to MASD will apply (\$60 per athlete for the two days of training). Friday training for U14 and older athletes will consist of GS and possibly SL. Athletes should have SL and GS skis available for Friday.

Saturday, MB Cup Race 1, Slalom for U14+

Sunday, MB Cup Races 2 & 3, GS for U12+

Good luck to all of the athletes participating, wishing everyone a safe and fun filled weekend!

**Summit Family Fun Night, February 17<sup>th</sup>** is quickly approaching. I have many tickets left, which is unusual and mainly due to the cancellations we experienced during the cold snap. Please contact me ASAP if you require tickets, we need to make a concerted effort to get them distributed and sold as soon as possible as our biggest fundraiser of the year is only 2+ weeks away.

Thank you!
